## Matchplay Format

- **Net Team Stableford.** One (1) point per hole match play.
- 4 points for front nine, 4 points for back nine, and 4 points for total (same). Half point for each team beat in net total stableford points (same but total stableford rather than best ball).
- **Net Score Points:** Albatross 5 | Eagle 4 | Birdie 3 | Par 2 | Bogey 1 | Double or worse 0

## Rules Changes

- Weekly net best ball (\$20/team game) is wheeled each week off the lowest handicap. Lowest handicap plays as zero (0) and everyone else adjusted accordingly.
- There are no forfeits. If a team doesn't play, their opponent will be matched up with a randomly drawn team for scorecard match.
- Players get 90% of their current handicap each week in both matches and weekly game.
- Each team can use two subs in same week once for the entire season.

- Top 4 finishers in First Half qualify for playoffs
- Top 4 finishers in Second Half (not already qualified) qualify for playoffs
- A team qualifying in first half can still win second half payout.
- Seeding and tiebreakers use total stableford points for the season. The most season stableford points between First Half 1<sup>st</sup> Place and Second Half 1<sup>st</sup> Place will be the #1 seed and the other will be the #2 seed. Same process for #3-#8 seeds.
- During the playoffs (weeks 18-19), there will still be the weekly \$20/team game for all teams even if they didn't qualify for the playoffs. Week 20 championship match only. Spectators encouraged.
